## THE SWEEP Issue 7

73!

(That's how many caregivers shared their e-mails at last week's holiday parties!) Welcome!

Welcome Caregivers, Holiday Party Updates, Like Us on Facebook x 3, Understanding Hospice

### WELCOME CAREGIVERS TO OUR WEEKLY E-NEWSLETTER THE SWEEP

Thank you for reading these weekly updates. It's important to stay on top of what is happening at work. We're trying to capture as many e-mails as possible so we have more opportunities to share company updates and other important information with you. Thank you for your hard work and dedication to Cooperative Home Care & Hospice! Speaking of hospice, did you know we provide this service? We do, and we're planning a lot of fun and informative events to educate all of our employees

about this very meaningful resource. You can reach our hospice team directly at 314-571-7855.

### HO-HO-HOLIDAY PARTIES ARE UNDERWAY!

We hope that almost all of our caregivers were and are able to attend their office holiday parties, last and this week. If you were at the St. Louis party, we also hope you enjoyed our smoothie station! The strawberry and mango smoothies were a hit, and many brave attendees even tried the GREEN SMOOTHIES. We will be sure to offer them at other office events coming soon. Thank you to everyone who is attending, and to everyone who is helping to make the parties successful. Next up: Herculaneum (today, 12-20), Fairview Heights (12-21) and St. Peter's (12-22). Happy Holidays!

### LIKE OUR FACEBOOK PAGES

Another great way to stay in touch is through our Facebook pages for Cooperative Home Care, Cooperative Hospice and All-Staff Nursing. Please visit and like them. [Click here to see pictures from last week's holiday parties](#). If you have pictures from a Cooperative event you'd like us to post, e-mail them to [kpfister@cooperativehomecare.com](mailto:kpfister@cooperativehomecare.com) (you can also reply to this e-mail, to send a message to us). Thank you!

### FORGET WHAT YOU THOUGHT HOSPICE WAS ABOUT

As 2017 begins, we are committed to hospice education for every employee. Before we began providing this service, we were nervous to talk about hospice because it can be a serious and scary topic. Through its development at Cooperative Home Care, we have learned about, and embraced, this very touching and meaningful resource. It can transform one's end-of-life experience. Please join us on our journey to understand and share this resource.
