THE SWEEP Issue 9

This week, Case Manager Patty Depper learned about a terrific resource we'd like to share with you: STL Training offers CNA and CMT training that is free for those who qualify! Learn more by calling Jeff at 314-989-7580, or Angela at 314-989-7486.

FREE Training, Winners, Giving Back (and Feeling Great About It)

WE'RE ALL WINNERS! ESPECIALLY ROBERT AND RAYMOND

Our second annual Chili Cook Off and Superbowl Squares event was a success! From Robert's prize-winning chili (and Vincent's help with public relations) to trash-talking (all in fun, of course), a great time was had by all. If you haven't heard, our squares winners are (drum roll, please)...first quarter: Patty Depper; second quarter: Kim Stewart; third quarter: Pam Murrell; fourth quarter: Raymond Doussard! Congratulations winners, and as for everyone else: better luck next year.

There's already talk about our next team building event. What and how would you like to celebrate as a team? [Send your thoughts here.](#) All ideas are very welcome.

CAREGIVERS NEEDED

We were really pleased to welcome

DOING GOOD FEELS GREAT

Our most recent "Serving & Celebrating in Our 30th Year" events included employee volunteers taking blanket kits to make at home; once finished each blanket became

caregiver Krista to our Ronald McDonald House dinner service team. As you can see, she had a terrific time helping in a different way than being a great caregiver. We would love to see more of you, as we complete 30 local service projects in honor of our 30th year in business. Our "Serving & Celebrating in Our 30th Year" campaign is stronger than ever. [Add your name to our contact list here.](#)

part of a cozy pillow, sheet and blanket set to be donated to the International Institute St. Louis. We completed 28 sets, with a lot of help from Ruth Waks (Mitch's wife), who identified the project, shopped for supplies and prepared the blanket kits for us. We also prepared and served a delicious Mexican feast at the Ronald McDonald House. What's next? Here's a hint: woof woof! Thanks Kristina Entenman for your idea. [Sign-up here.](#)
